Gift Aid

You can now register your card for gift aid

Our new contactless system now allows you to gift aid your donation, which in turn increases your donation by 25%. The system also remembers your card, so you only need to do this once!

The machine in Church will ask you for your name and address, which while only taking a minute or two, can create delays. Therefore, I would recommend that you try this at home.

Why not go to one of our appeals overleaf, and enter an amount of any size and then ask to gift aid it. Once it is done, you will never have to worry about this again.

Gift aid makes a very significant difference to the Parish. We have just submitted our claim for 20/21 which is over £15,000. This is so helpful to our life and mission. I'm sure if we all register for Gift Aid this amount can be even larger.

If you haven't Gift Aid your Standing Order, this can be done by filling a form at the back of the Church, or on our Website. Once again, it only needs to be done once and it is all covered.

Thank you for your generous support.

The Hardship Fund

We continue to support those in need

Our hardship fund continues to support those who are in need due to the widespread effects of the pandemic.

Over the last months we have supported all those families at Sacred Heart School who rely on Free School meals, especially outside term time. This month we supported pupils and their families in the Easter holidays and during next week's half term.

We continue to support the work of the Henley Food Bank, and NOMAD which organises this in partnership with Henley Churches together.

Thank you for your support.
